

# CALL FOR PAPERS

## 22nd International Conference on Advanced Robotics

2 - 5 December 2025, San Juan - Argentina

### TOPICS

- Mobile Robots
- Robot Swarms
- Humanoid Robots
- Biologically-Inspired Robots
- Self-Localization and Navigation
- Embedded and Mobile Hardware
- Search and Rescue Robots
- Underwater Robotic Systems
- Learning and Adaptation
- Educational Robotics
- Rehabilitation Robotics
- Dynamics and Control
- Robotics Vision
- Cognitive Robotics
- Robot Operating Systems
- Robotics Architectures
- Simulation and Visualization
- Human-Robot Interaction
- Robot Competitions
- Multi-Robot Systems
- Unmanned Aerial Robots
- Immersive Robot

### SUBMISSIONS

All papers must be in English and submitted electronically in PDF format via PaperPlaza. Format Guidelines and templates (LaTex, MS Word) can be found at:

<https://icar2025.inaut.unsj.edu.ar/CFP.php>

### IMPORTANT DATES

2025

- **Jul 25** Full Paper Submission Deadline
- **Sep 15** Notification of Acceptance
- **Oct 10** Final Paper Submission Deadline
- **Dec 2** Workshops & Mining in Robotics Event
- **Dec 3-5** Conference
